

## ATHLETES FRIENDLY EDUCATION

# INVITATION TO THE FINAL CONFERENCE

Together with the partners, **Olympic Committee of Slovenia** led a project “**Athletes Friendly Education**” with the support of the Erasmus + Programme of the European Union. The main goal of the project was development of the evaluation system of Educational Institutions which support athletes during their sport career and education.

**At this final conference partners will present the results of the projects with the focus on Athletes Friendly Education Handbook – Award for Educational Institutions supporting the Dual Career of Athletes.**

The conference will be held on:

**Wednesday, December 15<sup>th</sup>, 2021 at 14.00 Central European Time**

The conference will be performed **on-line**, using Microsoft Teams Application.

You are kindly invited to use the link to join the conference: [Click here to join the conference](#)
